Please indicate if your answer to any of the following questions is “yes” by circling the number of that question. If your answer to a question is “no,” you need not do anything. Do not write your name or make any other marks on the questionnaire; the only marks you should make are circles around the questions for which the answer is “yes.” If, when asked about a “yes” answer, you prefer not to explain your answer in open court, please say so and we will speak at the bench.
